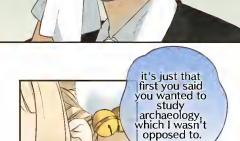
What?! You're going on a world tour?
Yeah, you said after I finished my high school exams I could do what I wanted!

I did say that but...I mean, daddy knows you're already a big girl that can handle herself,

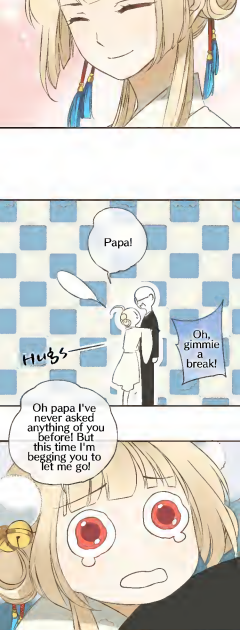


it's just that first you said you wanted to study archaeology, which I wasn't opposed to.

And in the end, I even allowed you to study swordplay from that scoundrel.

.....
It's fine that you want to go out and have fun, but when do you plan on coming back?

Lin Gujiu (Age 17)
Also, what's with that outfit?
It's fun!



Papa!
Oh, gimmie a break!
HUGS
Oh papa I've never asked anything of you before! But this time I'm begging you to let me go!

You really want to travel that bad? It's not necessarily a bad thing...
He just can't say no to that face.
It's just that daddy is really worried about your wellbeing!
Don't worry! I learned self-defense from that scoundrel!

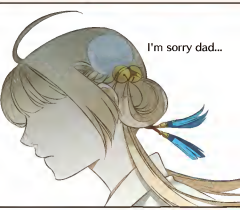
Fine fine, go.
Thanks dad!

Pay attention to your surroundings! Contact me often!

Dad, you should take advantage of this time to reconnect with mom and my little sister.
Even after all these years mom still hasn't remarried. It could be a good opportunity for you!
.....
Alright I'm going! I hope by the time I come back you two will have reconciled!
Haha!
Gujiu, my treasure, I hope you'll be safe.
Slam!
And that where you're going is to your liking

.....

It isn't to just leave like this.....



I'm sorry dad...

I need to have my way this time.

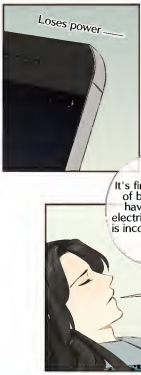
this is something I absolutely must do. If I don't, I know I'll regret it for the rest of my life!

Yuchi Lianfo, you cheating bastard!

Just you wait, when I find you I'll definitely punch you in the face!

On the other side

Hmm I wonder what the brat is up to now...
Perhaps she's crying right now? Haha there's no way~



Loses power
It's finally out of battery, having no electricity sure is inconvenient.

Put away
You may enter.

A report my lord, the prince has arrived.

Su Qingrong? What business does he have here?
